

not cope with a large influx of additional patients. It was, however, felt that any future proposed developments on a smaller scale should be considered.

The following proposal was made:

Steeple Bumpstead Parish Council has sought the opinions of the community by way of a survey carried out in recent days using the currently available Register of Electors.

The results of the survey show that 91% of the responses received strongly oppose the outline planning application 16/00410/OUT for development of land off Finchingfield Road submitted by Gladman.

I therefore propose that Steeple Bumpstead Parish Council fully support the community by objecting to outline planning application 16/00410.0UT.

Proposed by Frank Aldred, seconded by John Fellows.

An amendment to the above proposal was made as follows:

Hands Off Steeple Bumpstead stated that Thaxted Parish Council had paid all of their Hands Off Thaxted's invoices in this connection thus saving the VAT. Hands Off Steeple Bumpstead requested a similar arrangement.

The clerk said the Essex Association of Local Councils has been asked whether this could be done.

This will be on the agenda for the next Parish Council meeting.
